### Private Lessons

Private Lesson Teachers are professionals of their instrument and are available to teach weekly lessons to your child. They will work one on one with your child to help them be successful and achieve at high levels on their instruments. We highly recommend all students (at any level) participate in private lessons. Please contact us about getting your child involved with private lessons!

### Smartmusic—Make Practicing Fun!

Smartmusic is a fantastic program to make practicing at home fun, engaging, and more effective. With Smartmusic students can play their music along with a simulated full band and record their part as they play. After recording, the program will show the students any errors they may have made and help them to correct them. It's a fun way to improve your playing.
